## **GO AWAKE THE BRIDE!**

In the 1990s, while I was in my bedroom praying, my spirit left my body. I ascended above the earth, thinking I was going before God's throne. **However, I stopped and I heard a voice commissioning me to "Go, awake the Bride." Looking back at the earth, I saw people sleeping and slumbering. The voice instructed me, "And give her a Message."** I anticipated that He would reveal the message, but no further information was given. Then, my spirit returned to my body.

***To my dear Brothers and Sisters in Christ,***

*I am writing to share a deep conviction that has been weighing heavily on my heart. I believe we are approaching the end of time and that the Laodicean Church Age is coming to an end.*

*This conviction has not come lightly. I have experienced a series of dreams and events that have deeply impressed upon me the urgency of sharing this, as it aligns with Brother Branham's prophecy on end-time events.*

*Below are my dreams, events, commentary, and scriptures that have led me to my conclusion.*

*In this section, I will reference a few dreams, natural events, and views from others that occurred in 2015. Some of the content is on the website, to which I have included links for your review.*

*In 2015, a number of preachers and religious leaders made predictions and discussed an upcoming change. For instance, Pastor John Hagee wrote about an expected change in his book, *Four Blood Moons: Something is About to Change*. Hagee, J. (2013). *Four Blood Moons: Something is About to Change*. Worthy Publishing. Hagee suggested that a series of lunar eclipses (known as a Tetrad) occurring in 2014 and 2015 would have significant religious and prophetic*

*implications. He argued that this celestial phenomenon coincided with important historical events for the Jewish people and might signal forthcoming changes. Additionally, some religious groups and individuals believed that 2015 held significance based on interpretations of biblical prophecies and other spiritual beliefs.*

*Another point of spiritual significance is an event in 2015 when Pope Francis was in America from September 22 to September 27, 2015. His visit coincided with the final blood moon in that cycle, which is an eclipse that occurs during the Feast of Tabernacles in Israel. Interestingly, this was also the same period when a picture of our church was taken in 1989. You can review the significance of our church picture at the following link: [Beholdthebridegroomcometh](#)*

*Another notable event that occurred that year was **Donald Trump's arrival** on the **political scene**. His presidential announcement on June 26th stirred change and debate, impacting the nation.*

**Moving forward:** In May 2020, during the COVID-19 pandemic, I had a dream called "The 7th Trumpet Dream - COVID-19 Pandemic". In this dream, the 7th Trumpet sounded. You can read the entire dream and my thoughts by clicking on the following link, which will direct you to that tab: 7th Trumpet Dream.  
[7th Trumpet Dream](#)

**Following this**, on March 20, 2021, I dreamt that the Laodicean church age ended abruptly. You can read about the dream by clicking on the link. [Updates](#)

**Fast forward** to October 2023, when a few significant spiritual situations occurred that are outlined below.

**October 6, 2023.** It was the last day of the **Feast of the Tabernacle**. On **October 7, 2023**, Torah, Hamas, and other Palestinian militant groups launched a coordinated attack from the Gaza Strip into the Gaza Envelope of southern Israel. **The Simchat is a Jewish celebration of the five books of Moses.** A week later, on **October 14**, there was a Solar Eclipse. The eclipse of the sun is darkness.

On **October 19, 2023**, Brother Billy Paul Branham, the only person, I believe, besides Brother Branham who saw the angel that would frequently visit Brother Branham,

*passed away. **Brother Billy Paul passed away 3 ½ years after my dream about the seventh trumpet sounding.***

***Jumping to 2024**, I had a dream about the Supreme Court. This was before the recent events with the Supreme Court, around mid-April. I dreamed two people were standing on a stage looking at each other. One would say the name of one of the justices, and the other would say another one's name. They did that until they said all nine names of the Supreme Court justices. Once they finished naming all nine, they said they thought they had enough votes to pass it. I was thinking when they were talking that it was about the abortion of Roe versus Wade. In my dream, I thought they were going to overturn it. Once they finished with the names, **I heard a voice from heaven say in a forceful voice**, "Watch the Supreme Court." I felt that organized religion would come together and support it.*

*A few weeks after my dream, it came out that the Supreme Court was trying to pass a law against abortions.*

*This is what I believe my dream means, and it is only my thoughts. This movement will lead to organized religion and the states binding together. It will start the move for the antichrist system to set in and the mark of the beast. Independent churches that do not agree and join the system will be forced to shut down. Matthew 13:30: "Let both grow together until the harvest, and at the time of harvest, I will say to the reapers, "First gather together the tares and bind them in bundles to burn them, but gather the wheat into my barn."*

*I believe most churches will agree to ban abortions since it sounds like a good thing, and it is a good thing, but it will be deceitful about what is to come. In Matthew 24:24, " For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect." The antichrist will use these things to unite the organized churches.*

***My most recent dream** has taken us to the end, as it was the days of Sodom and Gomorrah. In **May of 2024**, in a dream, I witnessed a disturbing scenario where people were deeply engrossed in watching pornography in their homes. Even more concerning, their children—from 7 to 8 years old—and older had access to it through television, like in the air, from satellites and things. They could see all of it*

that they wanted. Then it changed, and I was shocked when I heard a voice say that it was even in the churches.

The next day, the Methodist church voted to repeal LGBTQ bans.

In Luke 17:28-30, it is written, **(v.28) Likewise also as it was in the days of Lot; they did eat, they drank, they bought, they sold, they planted, they builded; (v.29) But the same day that Lot went out of Sodom it rained fire and brimstone from heaven, and destroyed them all. (v.30) Even thus shall it be in the day when the Son of man is revealed.**

I see parallels between the prevalence of pornography in churches and the Methodist church's decision to repeal LGBT bans. It brings us right back to the days of Sodom and Gomorrah.

**I would like to share below a recent supernatural event that occurred in April of 2024 that may be a spiritual sign of how close we are to the end.**

I was holding a tent revival in **2008**. One night at the revival, one of the church sisters took a picture of our tent, which is to the left.

On April 8, 2024, a solar eclipse occurred, and five days later, on April 13, 2024, my niece was taking pictures on her phone of the photos from the tent revival that had her brother in them. She happened to

take a picture of the one to the right. She called me later that day and said she was looking at her pictures, and she had taken a picture of the one with the little man entering the little room on top of the tent. Her picture is the one to the right. The picture shows a man entering a room. This was not in the original picture. The picture could be a sign of the little room that **Brother Branham** spoke about in his vision of the Third Pull. I feel this picture may be connected to **Brother Branham**, perhaps foreshadowing the unfolding of the tent vision. Interestingly, a document I needed for my taxes would not print, and a few weeks later, it started to print at the same time my niece took the tent photograph without any

intervention. This occurrence may mark the tent vision **Brother Branham** experienced in the little room.

**Brother Branham - Tent Vision - Voice Magazine - Vol. IV, No. 2, March, 1956**

*Inside the tent, I saw a canvas stretched about four feet high, with a gate in this canvas fence. Inside this fence sat a little, square, wooden room. A lady was standing at the gate of the canvas fence, taking the name and prayer card of a lady lying on a wheeled stretcher. Behind the stretcher was a man on crutches, and the lady took his name and card also. A strong man came out and pushed the lady on the stretcher through the gate of the canvas fence and through a door into this little, wooden room. I heard the familiar swishing sound made by the light that accompanies my ministry, and I saw it go from me to the little room. The Angel of the Lord was still standing by me in the air. He said to me "I'll meet you in there!" I saw His hand point to the little room. He added, "This is the third pull!" I said "I do not understand this." He replied, "In there, I will meet you!" I watched and saw the sick lady coming out a door on the opposite side of the little room. She was off the stretcher, pushing it. A lady was there to get her testimony on a tape recorder and asked what happened in the little room. She answered "I don't know!" Then came the man out, carrying his crutches. The lady asked him what happened in the little room, and he answered "I don't know!" The Angel of the Lord said "This will not be a public show! Is not it written in the Scripture of Our Lord's words, "When thou prayest, enter into thy closet, and when thou hast shut thy door, pray to the Father which is in secret; and the Father which seeth in secret shall reward thee openly?" Be not as the hypocrites that make their public show of things, but go into your secret closet!" Then the Angel of the Lord and I descended into the little room. What He said to me there I will have to keep a secret the rest of my life!*

***Tying it all together:*** The picture below was taken of our church foundation in 1989. It shows the faces and the man with the eagle and rod that I dreamed about. It signifies the Eagle Age, the Little Room Brother Branham spoke of, and the Rapture.

The Headship Church – Brother Branham Eagle Age		Tent Dream – Little Room and Body Change
<p><b>1 Corinthians 11:3</b> But I would have you know, that the head of every man is Christ; and the head of the woman is the man; and the head of Christ is God.</p> <p><b>Ephesians 5:23</b> For the husband is the head of the wife, even as Christ is the head of the church: and He is the savior of the body.</p> <p><b>Luke 17:37</b> And they answered and said unto Him, Where, Lord? And He said to them, Wheresoever the body is, there will the eagles be gathered together.</p>	 <p>The Eagle Represents the Church Age</p> <p>The Rod Represents the Third Pull &amp; The Spoken Word</p>	<p><b>Church Picture</b> I believe our church picture is a glimpse of what is inside the little room that Brother Branham entered and could not reveal at that time. But now it is being revealed to the bride.</p> <p><b>Little Room</b> Brother Evan Mosely told me later that his brother, Alan Moseley, asked Brother Branham if the 'little room' would be the 'body change' and he said Brother Branham told him that is exactly right.</p>

I've included some dreams about the rod and the third pull to provide more context around the picture above.

In 1983, I had a dream. I was looking at a statue of a man with an Eagle at his right knee. He had a Rod in his left hand. As I was seeing this, there were two women whom I believed to be Christians who were also looking at the statue. One of the women spoke to the other, saying, "You know, Jacob was the first to use Rods to make the animals be born a certain color." The other woman replied, "Yes, but Moses was the first to use the Rod down in Egypt with signs and wonders." Then the first woman replied, "Yes, but Jacob was the Father of the Rod." When she said that, I looked back at the statue; a hand was now on top of the Rod extending from the top. I believe the Rod is a type of the Third Pull that **Bro. Branham** spoke of. However, in this dream, nothing is said about the Eagle. Later, I understood from the messages of **Bro. Branham**, we were living in the 'Eagle' age.

In the late 1990s, I had been reading **Brother Branham's** message about "the third pull" and the 'tent vision,' concerning the 'little room' and the people going through it. I fell asleep and dreamed that I was in the 'little room,' and this is what I saw. There was an altar made like a table, and when someone came into the

room, they lay face down on the altar. Someone would stand at their feet, and someone else, I could not tell who was at their head, and as they laid hands on them, a 'pillar of light' went through their body, from their feet out their head. And they were changed! As they left the room, a voice said that the men were Christs' and the women were Marys'.

*I had a dream in January 2003 that I believe is going into the third pull and spoken word. In this dream, I had stepped up on a higher level in Christ, as if when a child becomes of age and receives authority to speak the Word, it becomes manifested. As if we, the Bride, had entered into 'the third pull' that Brother Branham had spoken about.*

***The secret of the Lord coming to rapture the bride. Brother Branham** said Moses would restore the hearts of the children back to the father, which is the same thing Brother Branham did in Malachi 4:5-6. In our church picture, the rod represents the third pull and the spoken word. Will Moses and Elijah work together in the mystery of the bride to rapture? Is the spirit of Elijah and Moses going to work together in the Gentile Church and then work together again in Israel? If yes, that would make Moses come on the scene three times. Whatever it is will be revealed in Revelations 10:7. **Revelation 10:7:** But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets. That is when we will know when that scripture is finished.*

Notice, but God is waiting till the iniquity of these modern Amorites is filled. Don't worry, He'll have his Moses ready at that time. There will be an exodus, someday, to the promised land. **There will be a Moses come along, who will call out, "restore the Faith of the Children back to the fathers."** It'll come one of these days. Did...You say, "Well, look how we're progressing." Sure, the iniquity of the Amorites is not yet full. It'll come, one of these days. Let them destroy themselves.

#### **Malachi 4:5-6**

**5** Behold, I will send you Elijah the prophet before the coming of the great and dreadful day of the LORD: **6** **And he shall turn the heart of the fathers to the children, and the heart of the children to their fathers,** lest I come and smite the earth with a curse.

### **ABSOLUTE 62-1230M - 225**

Oh, and I remember when He swept down there in that big Light, standing yonder at the bottom of the river, 1933, in June, when He said, "As—as John the Baptist was sent forth and forerun the first coming of Christ, I send you with a Message to the world to forerun the second coming of Christ. And around the world she's went, when revival fires had been built for fifteen years and nearly every mountain...?...Divine healing across the nations, and the power, and restoration...**And now, I believe she's ready to strike that final climax yonder to bring forth a faith that'll rapture the Church into glory (It's the truth.), and She's laying in the Messages.** We're really at the end time. We've talked about it and everything, but the thing has moved upon us now. Hear them. Yes, sir. That's right.

***I thought it good to share how Brother Branham*** thoroughly explained the events that unfold when each church-age messenger emerges and exits the scene, how it correlates to the seven church ages, and the spiritual significance linked to each age in his book, "Revelation of the Seven Seals." My dream about the 7th trumpet sounding and the pandemic corresponds to the occurrences associated with the passing of a church messenger. I've included excerpts from Brother Branham's "Seven Seals" book about the Seven Church Age Messengers

**P.113:63:** *"Notice what happens, as we go along. Here is the plain of it. The first thing happens, there is a – a – an announcement in the Heavens first. What happens? A Seal is opened. What is that? A mystery is unfolded. See? And when a mystery unfolds, then a trumpet sounds. It declares a war. A plague falls, and a church age opened. See?"*

**P.113:64:** *"What is the War part? The angel of the Church catches the mystery of God, not fully yet revealed. But when he does he catches the mystery of God, and then he goes forth to the people! What does he do out there? He begins to proclaim that Message. And what does it start? A war, a spiritual war."*

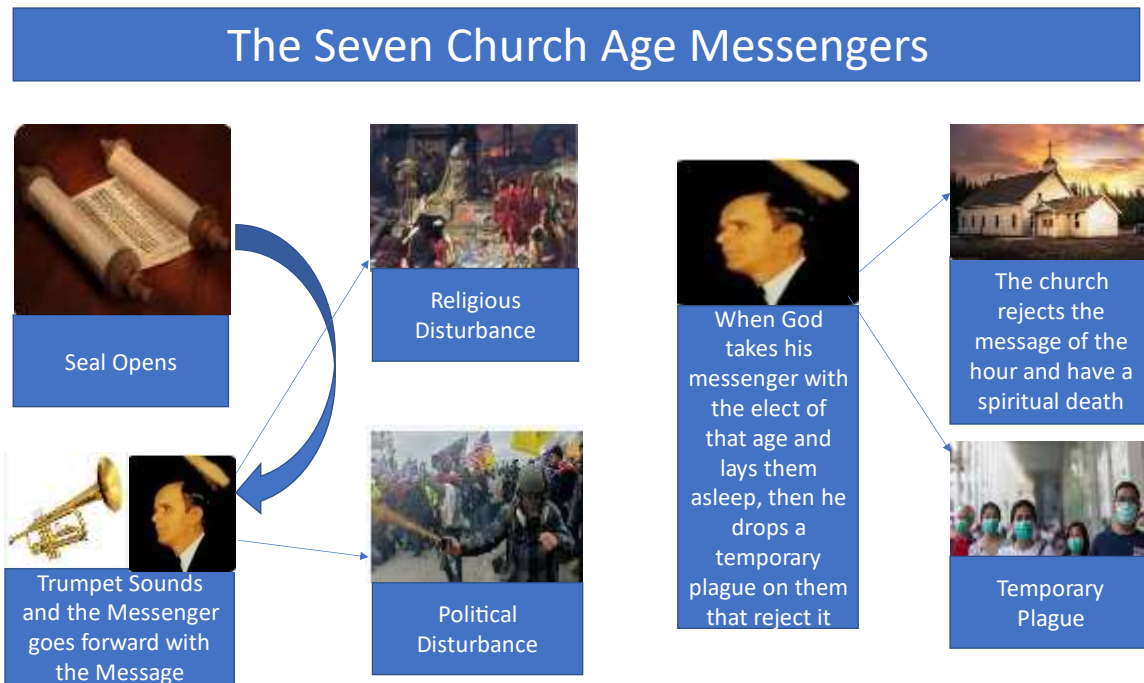

**P.113:65:** *"And then God takes His messenger, with the Elect of that age, and he lays them away, asleep. And then He drops a plague upon them who rejected It; a temporary judgment."*

**P.113:66:** *"And then after that is over, then it goes on, and they denominate, and bring in denominations, and start off with that man's work, like of Wesley and all the rest of them. And then it gets all in a squabble again."*

**P.113:67:** *"And then another mystery comes forth. Then what happened? Another messenger arrives on earth, for a church age. See?"*

*Below is a visual representation of the cycle that occurs when a church-age messenger emerges and departs, as explained in great detail by Brother Branham. Since Brother Branham was the 7th Angel Messenger, I used him to visualize the last messaganger on the scene.*

*In closing, significant signs in the natural and spiritual have led us to the end of the Laodicean church age. In the scriptures, at the end time, God separates himself by spewing the Church outside of his mouth. In Revelations 3:14- 3:16, it is written, **"And unto the angel of the church of the Laodiceans write; These things saith the Amen, the faithful and true witness, the beginning of the creation of God; I know thy works, that thou art neither cold nor hot: I would thou wert cold or hot. So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth."***

*I believe that the message He wants me to bring has been manifested and shared over the years, and now we are at the end. I believe the completion of the four blood moons on September 27, 2015, is connected to the darkness coming to the Church. This idea is also expressed in Bro. William Branham's book "An Exposition of the Seven Church Ages" starting on page 356 in the section entitled "Christ outside the Church." Additionally, I believe the pandemic and the 2015 Blood Moon are natural and spiritual signs of Christ being outside the Church. The attack on Israel on their most holy day, Brother Billy Paul's passing exactly 3 ½ years after my dream about hearing the last trumpet sound, and my recent dream about pornography everywhere, even in the churches, align with the scripture of the world being in the same state as Sodom and Gomorrah in the last days. My brothers and sisters, we are at the end and I share these things with you, hoping*
